## FM 06, A RECORD-SETTING FRAGRANCE

On 7th June 2014, on Mars Fields in Wroclaw, during an international FM GROUP training, a Guinness World Record was set for the largest number of people applying perfumes simultaneously. All those gathered sprayed FM 06 at the same time. This fragrance was chosen because of its delicate, fresh scent of green tea and citrus fruits.

### FOUGERE, i.e. FERN

*The name of the group means fern, and its history dates back to the 19th century. In the scents from this family we will find fern, and lavender complemented with oakmoss, herbs and coumarin which brings a beautiful scent of haymaking to the composition. Fougère scents are distinct and bring forest undergrowth to mind. They are considered very masculine and alluring.*
