Create a range of  
5 shades in warm and  
cool tones.

A deep, intense colour on the lips adds elegance, and combined with lined eyes is the basis of a classic make up.

**Create with FM GROUP MAKE UP cosmetics:**

- Lipstick
- Automatic liner,
- Liquid eyeliner (found on p. 27).

*It's simple!  
Use the

GLAM LIP TINT & BALM  
glam lip tint & balm

## Two fantastic products three ingenious uses!

### 1. Start with the Lip Tint

Precisely outline the lips with the Tint and next fill in the entire lip shape. A light, water-based formula makes the application easy-peasy.

### 2. Apply the glossy Balm

The Balm sensationally cares for the lip skin thanks to the content of rich active ingredients such as coconut oil, panthenol and vitamin E.

### 3. Enjoy a long-lasting make up.

Result:  
precise, radiant lip  
make up.

## What do women expect of lip glosses?

First of all to highlight the lip colour and shape, but also to provide a sensual gloss. When applied a few times a day lip glosses should also nourish the lips, protect from the cold, wind and sunrays.
